ALMA MATER

By the stillness of the woodland
Stands a school so fair;
Downsville High School, Alma Mater
Your worth's beyond compare.

Chorus:
Raise the chorus, speed it onward
We shall e'er be true.
Hail to thee our Alma Mater,
Your spirit shall guide us through.

In thy halls of stately learning
Our thoughts shall ever be;
Downsville High School, Alma Mater,
Much we owe to thee.

Our voices e'er will sing they praises,
Alma Mater, here
Ne'er shall we forsake, dishonor
The name we hold so dear.

In Loving Memory

P.F.C. Johnny Williams
Class of '63

He heard his country's call
He gave his life
He gave his all---
For our liberty.

The kids back in the states don't realize how lucky they are to have a school to go too. These Kids don't have any schools at the present time in our area except the ones the marines have set up and they are open only 2 or 3 days a week for about four hours a day.

I get to thinking back to my days at school and I'm sorry I didn't do better while I was in school.
